

Social Media Community Guidelines

Thanks for joining our online community! The LGAQ's social media presence is dedicated to showcasing news and updates from Queensland councils and their work building better communities.

Operation of our social media:

Our social media channels are maintained by the LGAQ's communications team. We will respond to enquiries where appropriate.

We support the Facebook Statement of Rights and Responsibilities (<http://www.facebook.com/terms.php>) and related Facebook policies, and we request that visitors to our page do the same.

Moderation of our social media:

We want everyone to have a positive experience and contribute to the conversation, however we ask that you refrain from posting comments which:

- Harass, abuse or threaten other visitors to the site, LGAQ or its employees, or any other person or entity;
- Offend others, particularly about an individual's physicality, race, age, gender, sexuality, political leaning, religion or disability;
- use obscene or offensive language;
- constitute spam, are vexatious or solicit business;

We reserve the right to hide, delete or remove comments that offend these Community Guidelines at the absolute discretion of LGAQ. Consistent contravention of the Community Guidelines may result in a user being blocked from our social communities.

Any comments unrelated to subject matter published by LGAQ on its social media page that impact the experience of other users following and interacting with our social platforms may be removed at the absolute discretion of LGAQ.

Please feel free to contribute content across social media using the hashtag #BetterCouncils.

Thanks - and enjoy our social media communities.
