About the **LGAQ**

The Local Government Association of Queensland (LGAQ) is the peak body for local government in Queensland. We are a not-for-profit association set up solely to serve the state's 77 councils and their individual needs.

We do this by:

- connecting them to people and places that count
- supporting them to strive to innovate and improve service delivery through smart services and sustainable solutions
- delivering them the means to achieve community, professional and political excellence
- offering a range of support services and solutions to all council employees.

About **Annual Conference**

The LGAQ Annual Conference is the largest and most important event in the local government calendar. Delegates who attend the conference have a unique opportunity to see how councils and the private sector are driving innovation and improving service delivery through smart and sustainable solutions.

As a sponsor or exhibitor of the LGAQ conference, you have the exclusive opportunity to demonstrate your products and services to LGAQ members from across the state. The rapport your organisation will build with the delegates will serve your organisation well into the future, and as key decision makers push for the local government sector to stay ahead of trends and developments.

Opportunities for trade exhibitors and sponsorships are now available for this event and are limited, so please book early to avoid disappointment.

For those of you who are returning as a sponsor or exhibitor of the LGAQ Annual Conference, welcome back. To those of you who are joining us for the first time, welcome aboard. We hope you find your partnership with the conference a rewarding experience from a relationship and networking perspective.
